Agenda / Homework

- ▶ Fill in `segment_status` and run the notebook, showing the number of cores vs time for your run on PiCloud. Send me a URL to a public notebook (rendered in nbviewer.ipython.org). Due Monday, April 15, 2013 at noon. e.g.,

my notebook in my PiCloud account

Juriscraper Workshop

Please let me know whether you will attend our Workshop on JuriScraper on Friday, April 12, 2013 in Room 205 South Hall (1-3 pm with 3-4pm for die-hards.) This is a great opportunity to learn about web scraping. Mike Lissner will be there along with Brian Carver.
